SELECTED MEDIA PROFILE

"Melodic and imaginative ... Soulful, bluesy alto"

Matthew Wright, Jazzwise

"Harrison impresses with his tight, dry-toned, scattergun flurries...he invests his playing with a mature sensibility...fearsomely excellent musicianship"

Bruce Lindsay, All About Jazz

"Combining simplicity of melody with sophisticated detail and hints of Traneish spirituality...Harrison is one to watch"

Dave Foxall, Jazz Journal

"Harrison has a vigorous, peppery alto sound...a skillful soloist...achieving hard-edged climaxes"

Chris Parker, London Jazz News

"Harrison's mellifluous flow of ideas is buoyed by a subtle blues vein and lovely fluttering codas."

Ian Patterson, Culture Northern Ireland
